

## **Classroom Teacher**

### **Location:**

Heart of Ohio Classical Academy - Dublin Campus - Dublin, OH

### **Job Type:**

Full-Time

### **Pay:**

\$40,000 - \$50,000 a year

### **Description:**

Classroom and Specials Teachers at Heart of Ohio Classical Academy are committed to the ongoing intellectual and moral growth of all students. They are responsible for embracing classical pedagogy for a nurturing, dynamic, and academically rigorous environment following the school's classical education philosophy. Teachers are trusted with the day-to-day management of their classroom, planning, organizing, and implementing an appropriate Classical program. They provide a content-rich education that stimulates young minds and feeds their hunger for learning while nourishing their hearts on a developmental journey. The teachers report directly to the Deans and the Headmaster.

### **Key Responsibilities:**

- Creates and executes successful lesson plans that represent a deep understanding of subject material in line with Heart of Ohio Classical Academy's content-rich curriculum.
- Employs effective teacher-led instructional strategies to meet different aptitudes and interests of students, including lectures, group discussions, and hands-on learning activities that lead to student mastery.
- Develops and implements classroom management strategies that create decorum in support of a positive and focused learning environment.
- Administers and monitors all state standardized and internal assessments in accordance with schoolwide policies and practices.
- Regularly assesses and analyzes student performance using various methods, providing feedback and adjusting instructional techniques to meet individual student needs.

- Collaborates with other teachers, staff, and the Leadership Team to enhance the instructional environment and improve teaching practices aligned with school goals and participates in weekly staff meetings (or as prescribed by the Headmaster).
- Works with Intervention Specialists for prescribed learning necessary for students that have an IEP in place (tracking, providing services, reporting, attending meetings, etc.).
- Works with building leadership for prescribed learning necessary for students that have a 504 plan (tracking, providing services, reporting, attending meetings, etc.).
- Maintains professional and ethical standards in all interactions and communications with students, parents, colleagues, and the community.

### **Qualifications:**

- Valid Ohio License in Teaching with specific designation.
- Bachelor's degree required; Master's degree preferred.
- Valuable experience teaching children, preferably in a classical or public school.
- Strong knowledge base to support the content-rich curriculum.
- Passion and enthusiasm for teaching.
- Excellent communication and interpersonal skills with an ability to inspire students.
- Alignment to the school's mission and classical education philosophy.

### **Aligning to Heart of Ohio Classical Academy's Mission and Vision:**

- Inspire Young Philosophers: Immerse yourself in a vibrant classical academy, where you can guide the pursuit of truth, goodness, and beauty for yourself and your students.
- Join a Cohort of Scholars: Collaborate with a dedicated team of like-minded classical educators who see this entrepreneurial opportunity as a hope for the future.
- Shape Lives Beyond the Classroom: Make a lasting impact on students' lives by mentoring and coaching students while applying classical wisdom, moral character, and lifelong learning.
